

DISCOVERY PLACE

SCIENCE | KIDS | NATURE

Through an exciting partnership with Discovery Place, the Joint Science and Technology Institute (JSTI) STEM Teacher Education Project (STEP) is offering STEM teachers a 3-day professional development workshop in Design Thinking!

The best part? It's completely free!

WHERE: University of Memphis; Memphis, TN

WHEN: July 24-26, 2019

Come ready to learn about Design Thinking and how to incorporate it into your classroom! You will experience classroom learning and hands-on experiences across your 3-days in the workshop! Teachers taking part in the workshop will receive 18 hours of professional development credit, and a \$100 stipend!

[Register here](#) or visit the [JSTI STEP website](#) for more information!
